ORDER

The depositions of the plaintiffs and of James Smith, the local defendant in this action, were noticed [15] [16] [17] for and taken on March 13, 2007. Since this testimony may have a direct and substantial bearing on the merits of the plaintiffs' motion [6] to remand, I want to read and consider that testimony in deciding the merits of this motion. Accordingly, I am entering this order that a transcription (without exhibits) of the testimony of all three parties be filed within the coming ten days.

SO ORDERED this 11th day of June, 2007.
